

COTSWOLD ARCHAEOLOGY

PRACTICE PROFILE

BUILT ON REPUTATION

Whatever the scale of your project, commissioning archaeological work requires careful planning. Cotswold Archaeology understands the issues involved and will guide you to a successful conclusion.

Our respected, professional staff possess the skills needed to meet all of your archaeological needs. We seek to minimise risk by providing you with high quality services and impartial advice.

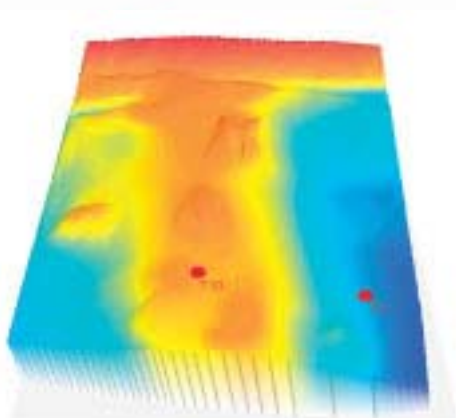

Established in 1989, Cotswold Archaeology is one of Britain's leading and most respected independent archaeological fieldwork and consultancy practices. Each year we help our clients achieve their objectives on around 200 projects nationwide.

BENEFIT FROM OUR UNIQUE PERSONALISED SERVICE

Cotswold Archaeology's blend of knowledge, experience and proven ability give you:

- Resolution of your issues in a rapid, trouble-free and cost-effective manner
- Active management of your risk through identification of key issues at an early stage
- Services tailored to your individual needs and timescales, giving you a fast, first class service at competitive rates
